

Schilt Publishing Gallery is proud to collaborate with restaurant Bloem op IJburg in presenting an exhibition of photographer and fellow IJburg resident:

Lucia Ganieva
Dreaming Walls
11th February – 15th May 2017

At restaurant, Bloem op IJburg
IJburglaan 1289
1087 GJ Amsterdam

When photographer **Lucia Ganieva** visited Udmurtia, located in the centre of Russia, she was struck by the photographic wallpapers that she saw in many houses. They are “dreaming walls”, showing an exotic and beautiful world the inhabitants of the houses will never see in reality...

Lucia Ganieva was born in Russia but has lived in The Netherlands since 1993. In 2007 she graduated cum laude at the Foto Academie Amsterdam. Since then, her work has been exhibited all over the world and has won countless international prizes and awards.

Schilt Publishing & Gallery has published two books by Lucia Ganieva: *Tiltenberg* (2009; her graduation work about a priest academy) and *Ermitazhniki* (2010, portraits from the guards of the Hermitage Museum in St. Petersburg).

This will be the first show curated by Schilt Publishing & Gallery at restaurant Bloem op IJburg. We will from now on organise together several shows per year in the restaurant, in addition to the regular shows in our gallery, also located on IJburg (Peter Martensstraat 121, 1087 NA Amsterdam).
